JUNE 27, 2001

IN RE: Application of CallManage, Inc. for a ) ORDER CANCELLING  
Certificate of Public Convenience and ) CERTIFICATE AND  
Necessity to Operate as a Reseller of ) WITHDRAWING TARIFF  
Interexchange Telecommunications Services )  
within the State of South Carolina )

This matter comes before the Public Service Commission of South Carolina (“Commission”) on the request of CallManage, Inc. (“CallManage” or the “Company”) to cancel its Certificate of Public Convenience and Necessity to provide intrastate resold telecommunications services within the State of South Carolina and to withdraw its tariff.

By letter filed with the Commission on June 15, 2001, CallManage advised the Commission that the Company was requesting cancellation of its Certificate to provide intrastate resold interexchange telecommunications services and withdrawal of the Company's tariff. A review of the docket file reveals that CallManage's authority was granted by Order No. 2000-0043, dated January 12, 2000. As reasoning for its request, CallManage states that it has not provided telecommunications services in the State of South Carolina since its certification. CallManage states further that the Company has never provisioned or invoiced any customers within South Carolina.

The Commission finds and concludes that CallManage's request to cancel its Certificate and to withdraw its tariff should be granted.

IT IS THEREFORE ORDERED THAT:

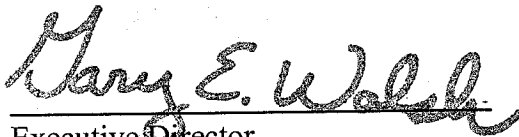

1. The Certificate of Public Convenience and Necessity to operate as a reseller of interexchange telecommunications services within South Carolina authorized by Order No. 2000-0043, dated January 12, 2000, issued to CallManage is hereby cancelled, and the tariff filed by the Company is withdrawn.

2. This Order shall remain in full force and effect until further Order of the Commission.

Chairman

ATTEST:

Executive Director
